Intrum AB ("**Intrum**" or "**the Company**", and together with its subsidiaries, the "**Group**") today announces the confirmation of the Company's Reorganisation Plan by the Stockholm District Court.

Unless given a different meaning in this press release, terms defined in the press releases from July 2024 to April 2025 have the same meaning when used herein.

The Stockholm District Court today held a plan meeting on Intrum's Reorganisation Plan. The Reorganisation Plan, which sets out certain key terms of Intrum's Recapitalisation Transaction consistent with the previously confirmed Chapter 11 plan and the Lock-Up Agreement, was voted on and unanimously approved by Intrum's creditors voting at the plan meeting. Following the affirmative vote by the Company's creditors, the Reorganisation Plan was confirmed by the Stockholm District Court.

Andrés Rubio, President and Chief Executive Officer of Intrum, said, "Today's overwhelming support by our creditors marks another significant milestone towards the implementation of our recapitalisation transaction. The strong level of support reflects the soundness of the proposed transaction, which will strengthen Intrum's capital structure and accelerate our transformation. This is a momentous step for our Company, employees, customers and partners."

The Company will now instruct Clearstream, Euroclear, Euroclear Sweden and Nasdaq Stockholm to lift the blocks placed on the Notes as part of the Reorganisation Plan voting process.

Closing of the Recapitalisation Transaction is expected by early July. Instructions for affected creditors who wish to claim their entitlements will be announced by the Company through a press release at a later date.

The Reorganisation Plan and related documents are available on Intrum's website at <https://www.intrum.com/recapitalisation/intrum-s-recapitalisation-process/>.
