Oliver Bulloss joins MTG in newly created Chief Product Officer role

Modern Times Group MTG AB (publ.) ("MTG") is happy to announce that Oliver Bulloss has joined the group as our new Chief Product Officer. In this newly created role, Oliver will leverage his substantial expertise from the gaming industry to support and help accelerate MTG's growth. He will be involved in future M&A processes and play an active role in shaping our strategy. He will also work closely with our game studios to accelerate knowledge sharing and best practices and to support them in their various initiatives.

Oliver brings extensive experience from a diverse array of leadership roles in mobile gaming. He most recently served as General Manager of NaturalMotion Zynga, where he was responsible for three game studios developing multiple games. These included Dawn of Titans and several different games under the Star Wars IP. Prior to that, Oliver worked at King, where he was Executive Producer on Candy Crush Jelly and Candy Crush Soda. He has also worked on well-known titles including Angry Birds Island and Angry Birds POP! while employed at Rovio.

MTG's Group President and CEO Maria Redin comments:

"I would like to welcome Oliver to our team and look forward to working with him. He joins us with a wealth of highly relevant gaming experience and I'm excited to involve him in our operational and strategic work."

MTG's Chief Product Officer Oliver Bulloss comments:

"I'm excited to be able to leverage my game making experience to be additive to MTG and their mission in this new role. As a fan of many games in the MTG portfolio for a long time, it's amazing to be able to work with the teams that made them."
