About Profoto

Profoto was founded more than 50 years ago and has since then been a world leader in lighting equipment for professional photographers, driving innovation and awareness of how to create better images through light. We know that light is the indispensable source in all image creation – regardless of camera or situation. Creating great images is about mastering and shaping light. The end users are professional photographers and commercial customers, including major consumer brands and e-commerce companies. The company currently has sales in approximately 50 countries worldwide. Net sales in 2025 totaled SEK 617m, with an adjusted EBIT margin of 7 percent. Profoto has ~110 employees at its headquarters in Stockholm and in subsidiaries in the USA, Japan, China, and the Netherlands.
