Verisure plc declares an interim dividend of €0.10 per share

Geneva, Switzerland, 30 July 2026 - Verisure plc ("**Verisure**" or the "**Company**") (Nasdaq Stockholm: VSURE) today announced that its Board of Directors has resolved to declare an interim dividend of €0.10 per ordinary share. The announcement is being made in connection with the publication of the Company's results for the second quarter of 2026. The dividend declaration is consistent with Verisure's dividend policy of distributing approximately 30-40% of Adjusted Net Income, and in total will see approximately €103m returned to shareholders.

CEO Austin Lally commented: "The declaration of our first dividend is an important milestone in delivering on the shareholder returns framework we outlined ahead of our IPO, and marking the start of a new chapter of progressive shareholder returns. Consistent with our commitment, the payout ratio is set at the midpoint of our target range. With three consecutive quarters of positive free cash flow, a strengthened balance sheet, and leverage already within our year-end target range, Verisure is well positioned to return capital to shareholders while continuing to invest in future growth. We remain focused on executing our strategy, delivering our 2026 outlook and creating long-term value for all stakeholders."

The dividend will be paid on 17 September 2026, with 10 September 2026 as the record date.

The Board of Directors has declared the 2026 interim dividend in accordance with its powers under Verisure's Articles of Association and the UK Companies Act 2006. As per the date of this announcement, the Company has sufficient distributable reserves and liquidity to pay an interim dividend to its shareholders.
