Transaction by Person Discharging Managerial Responsibilities

AstraZeneca PLC (the Company) announced that, on 17 August 2026, an award of the Company's ordinary shares of \$0.25 each (Ordinary Shares) vested to the Company's Chief Financial Officer, Dr Aradhana Sarin, under the AstraZeneca Performance Share Plan (the AZPSP).

The award of shares under the AZPSP was granted on 13 August 2021 and was subject to a combination of performance measures focused on scientific, commercial and financial performance assessed over a three-year period. On the third anniversary of grant, the award was placed in a two-year holding period. The award vested at the end of that holding period. This is the first PSP award to vest for Dr Sarin following her appointment as Chief Financial Officer of the Company in 2021.

Following the reinvestment of dividends accrued during performance and holding periods of the AZPSP award, and the withholding of shares to satisfy certain tax obligations arising on vesting, the Dr Sarin's beneficial interests in Ordinary Shares changed as detailed in the table below:

PDMR	Position	Ordinary Shares acquired
Aradhana Sarin	Executive Director and Chief Financial Officer	11,133

For tax purposes, the fair market value of an Ordinary Share at vest of the AZPSP award was £114.60, being the closing price on the last trading day preceding the vesting.

Further details are set out in the attached notification, made in accordance with the requirements of the EU Market Abuse Regulation (as it forms part of UK law pursuant to the European Union (Withdrawal) Act 2018).
