

## Safeture AB and Eagle Shark Announce Strategic Partnership

Safeture, a leading safety and risk management solutions provider, has announced a strategic partnership with Eagle Shark, a distinguished Danish company specializing in security and surveillance technology. This collaboration will significantly enhance global safety solutions for organizations by combining Safeture's state-of-the-art technology platform with Eagle Shark's extensive experience in security and surveillance.

The partnership aims to provide integrated solutions for real-time risk assessment, crisis management, and employee safety, offering a comprehensive approach to organizational safety. By merging Safeture's advanced risk management platform with Eagle Shark's sophisticated surveillance technology, organizations will be empowered to proactively identify and mitigate potential threats, thereby ensuring a safer environment for their employees.

Together, Safeture and Eagle Shark will deliver a robust, integrated solution that meets the growing demand for real-time risk assessment, crisis management, and employee safety, reinforcing their commitment to enhancing organizational safety worldwide.

Magnus Hultman, CEO of Safeture AB, expressed his enthusiasm for the partnership, stating, "We are excited to join forces with Eagle Shark. Their expertise in surveillance and security perfectly complements our mission to provide comprehensive safety solutions."

Christian Spohr, CEO of Eagle Shark, added, "This collaboration represents a significant step forward in enhancing global safety standards. By integrating our technologies, we are poised to deliver innovative solutions that set new benchmarks in the safety and security industry."
