Please see Appendix 1 for a description of the nominated candidates' qualifications and positions, including information about other executive/management functions held by the candidates in Danish and foreign companies.

Item 7: Election of auditor

Due to the balance between non-audit and audit services received from the Company's auditor, the Audit Committee has recommended the Board of Directors to change auditor for the Company. The Audit Committee initiated a request for proposal (RFP) in order to get offers from potential new auditors. The Company received offers from several top audit firms in Denmark, which were rated individually in accordance with three criteria: 1) price, 2) quality, and 3) independence.

The audit firms each presented their proposals to the Audit Committee, which then assessed each audit firm individually in accordance with the criteria. The Audit Committee found EY Godkendt Revisionspartnerselskab, CVR no. 30700228, to be the best in each category, which is the basis for the Audit Committees recommendation to appoint EY Godkendt Revisionspartnerselskab, CVR no. 30 70 02 28, as new auditor for the Company.

The Board of Directors therefore proposes election of EY Godkendt Revisionspartnerselskab, CVR no. 30 70 02 28, as the Company's auditor in line with the recommendation from the Audit Committee. The Audit Committee's recommendation has not been influenced by third parties, nor has it been subject to any contractual obligation restricting the General Meeting's choice of certain auditors or audit firms.

Item 8: Any proposal submitted by the Board of Directors regarding authorisation to acquire treasury shares

No proposal has been made, as the Board of Directors in connection with the IPO was authorised in the period until 21 May 2023 to approve the Company's acquisition of treasury shares, on one or more occasions, with a total nominal value of up to 10% of the share capital, provided that the Company's holding of treasury shares after such acquisition does not exceed 10% of the share capital. The consideration may not deviate more than 10% from the official price quoted on Nasdaq Copenhagen A/S at the time of acquisition.

Item 9: Any proposals submitted by the Board of Directors or by shareholders

No proposal has been submitted by the Board of Directors or by shareholders.
