Re: FORMAL DEMAND FOR IMMEDIATE COMPLIANCE WITH HIGH COURT RULING Shape Robotics A/S (CVR 38322656) — Case K 3337/25-F, Oestre Landsret

Dear Partners of Kromann Reumert,

I write to you in my capacity as Chief Executive Officer of Shape Robotics A/S, legally reinstated following the unanimous decision of Oestre Landsret (the Eastern High Court of Denmark) in case K 3337/25-F, delivered on **5 March 2026**. A full copy of the ruling is attached as Annex A.

On that date, at the moment the ruling was delivered, the mandate of your partner, Attorney Teis Gullitz-Wormslev, as bankruptcy trustee of Shape Robotics A/S **terminated immediately and in full**. My authority as CEO was simultaneously and automatically restored under Konkurslov §29.

From that precise moment, Mr. Gullitz-Wormslev had one single, unambiguous, statutory obligation: to immediately hand over all documents, records, data, funds, and property belonging to Shape Robotics A/S to me, the lawful CEO, in accordance with **Konkurslov §114, stk. 3**.

Twelve days have passed. He has not complied.

I am addressing this demand directly to every partner of Kromann Reumert, because Mr. Gullitz-Wormslev's continued non-compliance is no longer just an individual matter. It is now a matter for the entire firm. Every partner bears personal responsibility to ensure that this grave situation is corrected immediately.

THE ESCROW ARRANGEMENT — IDENTITY CRISIS

On 11 March 2026 — six days after the High Court terminated his mandate — Mr. Gullitz-Wormslev deposited DKK 3,722,813.18 of company funds into an escrow account at Nordea Danmark A/S (Reg. 2191 / Acc. 9046 428 843), purportedly under Deponeringsloven. A copy of the escrow stipulation is attached as Annex B.

Shape Robotics A/S does not recognise this arrangement. It is legally invalid, factually absurd, and raises serious questions about which role Mr. Gullitz-Wormslev was acting in when he created it.

1. No mandate to act

The High Court ruling of 5 March 2026 terminated Mr. Gullitz-Wormslev's appointment as trustee with immediate effect. From that moment, he had no legal capacity whatsoever to act on behalf of, or in relation to, Shape Robotics A/S. Opening an escrow account on 11 March 2026 — six days later — is an act performed by a person with no mandate. The question every partner of Kromann Reumert should be asking is: **in what capacity did Mr. Gullitz-Wormslev sign this escrow stipulation?** He was not the trustee. He was not the company's representative. He had no authority of any kind.

2. Money is fungible — these are not Danske Bank's funds

The escrow stipulation attempts to create a narrative that the DKK 3,722,813.18 "originates from" a payment related to Danske Bank and EIFO. This is legally irrelevant, and every lawyer at Kromann Reumert knows why.

Money is fungible. Once funds are received into a bank account, they lose their identity. They become part of the general balance. There is no legal mechanism to "trace" specific kroner through a bank account and claim they are "the same" kroner that arrived from a particular source.

The facts are as follows:

- During the bankruptcy period, Mr. Gullitz-Wormslev as trustee **received** funds into the estate account from multiple sources, including the amount transferred from Danske Bank/EIFO.
- During that same period, Mr. Gullitz-Wormslev as trustee also **spent** funds from the estate account — paying his own fees, operational costs, and other expenses of the estate.
- The estate also **received income** from the company's ongoing operations, which was deposited into the same account.
- The balance that remained on the account at the time of the High Court ruling was therefore a **completely different pool of money** — a mixture of receipts from various sources, reduced by various expenditures.

It is therefore legally impossible to claim that the DKK 3,722,813.18 currently in escrow is "Danske Bank's money." It is not. It is the company's money — the residual balance on the estate account, composed of fungible funds from multiple sources. Mr. Gullitz-Wormslev himself acknowledged this in **Kreditorinformation 2**, where he stated that the funds on the estate account were at the disposal of the company.

3. Which Teis Gullitz-Wormslev created this escrow?

This is the question that should concern every partner of this firm.

Mr. Gullitz-Wormslev wears two hats at Kromann Reumert. He was the court-appointed trustee of Shape Robotics A/S. He is also a partner at Kromann Reumert, which represents Danske Bank A/S.

The trustee was terminated on 5 March 2026. He could not have created this escrow in his capacity as trustee, because that capacity no longer existed.

If he created the escrow in his capacity as Danske Bank's attorney — then he used information and access obtained through his former role as trustee to benefit his private client, Danske Bank, at the expense of Shape Robotics A/S. That is not a conflict of interest. That is an abuse of a position of trust.

Either way, the escrow has no legal basis. If it was done as trustee — he had no mandate. If it was done as Danske Bank's lawyer — he had no right to the company's funds. **There is no version of events in which this escrow is lawful.**

FOR THE AVOIDANCE OF DOUBT — THE ESCROW IS NOT OUR CONCERN

Shape Robotics A/S wishes to make one point entirely clear: the escrow arrangement described above is Mr. Gullitz-Wormslev's problem, not ours. We have analysed it here solely to demonstrate to every partner of Kromann Reumert the absurdity and illegality of what your colleague has done.

The funds belonging to Shape Robotics A/S are not in the Nordea escrow. They are, and have always been, on the Kromann Reumert client account. That is where Kromann Reumert holds our money. That is the account from which our funds must be transferred immediately.

Whatever Mr. Gullitz-Wormslev chose to do with a portion of funds — depositing them into an escrow account without authority, without mandate, and without the company's knowledge or consent — is a matter between Kromann Reumert, Mr. Gullitz-Wormslev, Nordea, and Danske Bank. Shape Robotics A/S is not a party to that arrangement and does not recognise it.

Our demand is simple and directed at Kromann Reumert: **transfer all funds you hold belonging to Shape Robotics A/S — from whatever account you hold them on — to the company's account specified below. How you unwind the escrow arrangement that your partner created without authority is your internal affair.**

Any party — whether Mr. Gullitz-Wormslev, Kromann Reumert, or Nordea — who continues to withhold company funds without legal basis does so at their own legal risk.

WHAT MUST BE HANDED OVER IMMEDIATELY

The following is a non-exhaustive list of the property and records that your partner holds and must return:

- All financial records, bookkeeping data, and accounting systems
- All bank account access and credentials (Danske Bank, Revolut, Wise, and any other accounts)
- All funds held on the estate account, on the Kromann Reumert client account, and in the Nordea escrow account (Reg. 2191 / Acc. 9046 428 843)

- All corporate correspondence, emails, and communications
- All contracts, licences, intellectual property, and patent filings
- All records relating to subsidiaries in Finland (Sanako Oy), Romania, Moldova, and Poland
- Full access to the Shape Robotics digital data room and all digital files
- The §110, stk. 4 report submitted to the court
- All creditor correspondence, including Kreditorinformation 1 and 2
- Any and all other property, data, or records of any kind belonging to Shape Robotics A/S

TRANSFER OF FUNDS

All funds currently held by Kromann Reumert on any client account, estate account, or other account in relation to Shape Robotics A/S — including but not limited to the Nordea escrow account — must be transferred immediately to the following account:

Account holder:	SHAPE ROBOTICS A/S
IBAN:	BE95 9055 8272 2958
Swift/BIC:	TRWIBEB1XXX
Bank:	Wise Europe SA
Bank address:	Rue du Trone 100, 3rd floor, Brussels, 1050, Belgium

A proof of account details issued by Wise Europe SA is attached as **Annex C**.

The above account is denominated in **EUR**. The total amount owed to Shape Robotics A/S — as stated by Mr. Gullitz-Wormslev himself in **Kreditorinformation 2** — must be converted from DKK to EUR at the applicable exchange rate on the date of transfer and remitted in full. Any exchange rate applied must be the official interbank rate or the rate offered by the transferring bank, with no deductions, fees, or margins charged to Shape Robotics A/S.

DEADLINE

This demand is made under the full force of the High Court ruling in case K 3337/25-F. I require full compliance **no later than end of business on Thursday, 19 March 2026**.

This means:

- Full digital access to the Shape Robotics data room must be restored by that time
- All funds — including the Nordea escrow — must be transferred to the account specified above by that time
- All physical and digital documents must be made available for collection or download by that time

LEGAL CONSEQUENCES

Criminal complaints have already been filed against Mr. Gullitz-Wormslev and Kromann Reumert for intentional non-compliance with the High Court ruling, under §535 of the Danish Administration of Justice Act (Retsplejeloven). Each day of continued non-compliance constitutes a separate criminal offence punishable by fine or imprisonment of up to four months.

Formal complaints have been filed with Advokatnaevnet (the Danish Bar Complaints Board), the Danish Financial Supervisory Authority (Finanstilsynet, J.nr. 25-026876), and BaFin (the German Federal Financial Supervisory Authority).

This letter constitutes a **final formal demand**. Failure to comply by the deadline stated above will be treated as further wilful non-compliance and will be added to the evidentiary record in all pending and future proceedings.

Shape Robotics A/S reserves all rights to pursue full damages arising from the continued refusal to comply, including but not limited to damages for destruction of subsidiary value, loss of financing, investor harm, and reputational damage.

Kind regards,

Mark-Robert Abraham

ANNEX A

Ruling of Oestre Landsret - 5 March 2026

UDSKRIFT
AF
ØSTRE LANDSRETS RETSBOG

Den 5. marts 2026 satte Østre Landsret retten i retsbygningen, Østre Landsrets Plads 1, Nordhavn.

Som dommere fungerede landsdommerne Birgitte Grønborg Juul, Berit Holmelund og Andreas Emdal (kst.), førstnævnte som rettens formand.

Der foretoges

3. afd. kære nr. B-56-26, B-57-26 og B-58-26:

Kære af kendelse om at tage Shape Robotics A/S under konkursbehandling

Ingen var mødt eller indkaldt.

Der fremlagdes kæreskrift af 19. januar 2026 med bilag, hvorved advokat Hans Holme på vegne af Elena Pasat, Sevastian Daniel Miu, Mark-Robert Abraham og Aurel Netin har kæret kendelse afsagt af SØ- og Handelsretten, skifteretten, den 6. januar 2026 (K 2932/25-E), hvor det blev bestemt, at en konkursbegæring fra Treyd AB af 25. november 2025 mod Shape Robotics A/S blev fremmet. Shape Robotics A/S' bo blev herefter taget under konkursbehandling.

Endvidere fremlagdes skifterettens fremsendelsesbrev af 22. januar 2026 og udskrift af retsbogen indeholdende den kærede afgørelse.

Endelig fremlagdes kæresvarskrift af 26. januar 2026 med bilag fra kurator, advokat Teis Gullitz-Wormslev.

Elena Pasat, Sevastian Daniel Miu, Mark-Robert Abraham og Aurel Netin har i kæreskrift af 19. januar 2026 anmodet om, at kæremålet tillægges opsættende virkning med henblik på gennemførelse af generalforsamling den 22. januar 2026.

Landsretten har ikke fundet anledning til at imødekomme anmodningen.

Elena Pasat, Sevastian Daniel Miu, Mark-Robert Abraham og Aurel Netin har nedlagt påstand om, at konkursdekretet ophæves, subsidiært at sagen hjemvises til fornyet behandling i skifteretten.

Til støtte for påstandene har de kærende anført navnlig, at selskabet ikke var insolvent. En eventuel betalingsudygtighed var under alle omstændigheder forbigående, idet der var indkaldt til ekstraordinær generalforsamling den 22. januar 2026 med henblik på udstedelse af yderligere aktier. Hertil kommer, at der ikke var sket korrekt forkyndelse for selskabets tilbageværende ledelse.

Kurator, advokat Teis Gullitz-Wormslev, har nedlagt påstand om stadfæstelse.

Til støtte for påstanden har kurator anført navnlig, at selskabet var insolvent, idet de forfaldne forpligtelser pr. dekretdagen oversteg selskabets aktiver og eventuelle kreditramme. Indkaldelsen til skiftemødet er behørigt forkyndt for en person, der på daværende tidspunkt var registreret som medlem af ledelsen. Hertil kommer, at kurator under konkursbehandlingen har konstateret, at flere af de indgivne konkursbegæring, herunder konkursbegæringerne fra Gældsstyrelsen og IDA, samt indkaldelsen til mødet i skifteretten den 9. december 2025 blev videresendt fra selskabets digitale postkasse til bl.a. Mark-Robert Abraham den 28. november 2025.

Skifteretten har ved sagens fremsendelse henholdt sig til den truffe afgørelse og anført bl.a.:

”Skifteretten kan i forhold til forkyndelse oplyse, at konkursbegæringen blev modtaget den 25. november 2025 og sendt til digital forkyndelse den 10. december 2025 til daværende bestyrelsesmedlem Helle Rootzén (eneste daværende medlem af bestyrelsen med et dansk CPR-nummer). Helle Rootzén kvitterede for forkyndelsen samme dato. Det fremgår nu af Virk.dk, at Helle

Rootzén fratrådte bestyrelsen den 28. november 2025. Fratrædelsen er imidlertid først registreret den 19. december 2025. Erhvervsstyrelsen har ved telefonisk henvendelse fra skifteretten d.d. ikke villet give oplysninger om, hvornår oplysningen om Helle Rootzéns fratrædelse er indgivet til Erhvervsstyrelsen.

[...]

Kærendes advokat har meddelt, at han er udtrådt af sagen, men har accepteret at modtaget fremsendelsesbrevet og videresende det til de kærendes mails.”

Landsretten har den 4. marts 2026 modtaget indkaldelsen af 10. december 2025 med bekræftelse på forenklet digital forkyndelse samme dag.

De modtagne bilag var til stede.

Efter votering afsagdes

k e n d e l s e :

Efter konkurslovens § 23, stk. 2, lader skifteretten straks en konkursbegæring forkynde for skyldneren og indkalder samtidig med mindst aftens varsel skyldneren og vedkommende fordringshaver til møde i skifteretten, der så vidt muligt bør afholdes senest tre dage efter konkursbegæringens modtagelse. Efter § 23, stk. 3, kan forkyndelse af konkursbegæringen undlades, hvis skyldneren på anden måde er gjort bekendt med den.

Landsretten lægger efter de foreliggende oplysninger til grund, at konkursbegæringen af 25. november 2025 og indkaldelsen til retsmødet den 6. januar 2026 blev forkyndt den 10. december 2025 ved forenklet digital forkyndelse for Helle Rootzén, der på daværende tidspunkt var registreret som medlem af selskabets bestyrelse. Forkyndelsen skete på hendes private digitale adresse.

Det fremgår af retsplejelovens § 155, stk. 2, jf. stk. 1, nr. 3, at der kan ske forenklet digital forkyndelse for en juridisk person efter reglerne i § 157 a.

Af retsplejelovens § 157 a, stk. 1, 1. pkt., fremgår, at forenklet digital forkyndelse for en juridisk person kan ske for bl.a. et bestyrelsesmedlem på den juridiske persons digitale adresse.

Af forarbejderne til retsplejelovens § 157 a (lovforslag nr. 12 af 3. oktober 2012) fremgår bl.a.:

”Digital forkyndelse og forenklet digital forkyndelse kan i overensstemmelse med den foreslåede bestemmelse i § 157 a, stk. 1, 1. pkt., ske for et direktionsmedlem, et bestyrelsesmedlem eller en anden, som har ansvar for den juridiske persons anliggender, på den juridiske persons digitale adresse.

Digital forkyndelse og forenklet digital forkyndelse kan i overensstemmelse med den foreslåede bestemmelse i § 157 a, stk. 1, 1. pkt., endvidere alene ske på den juridiske persons digitale adresse. Dette indebærer, at forkyndelsen skal ske på den digitale adresse, som f.eks. er angivet på den juridiske persons brevpapir. Der kan således f.eks. ikke ske digital forkyndelse eller forenklet digital forkyndelse på direktionsmedlemmets arbejdsrelaterede eller private digitale adresse eller i den pågældendes digitale postkasse, der anvendes til sikker digital kommunikation med det offentlige.”

På denne baggrund finder landsretten, at der ikke som sket kunne foretages forenklet digital forkyndelse for daværende bestyrelsesmedlem Helle Rootzén på dennes private digitale adresse. Konkursbegæringen er derfor ikke lovligt forkyndt for Shape Robotics A/S, jf. retsplejelovens § 157 a, stk. 1, 1. pkt.

Herefter, og da der ikke er oplysninger om, at selskabet er gjort bekendt med konkursbegæringen af 25. november 2025 fra Treyd AB eller indkaldelsen til retsmødet den 6. januar 2026 på anden vis, jf. konkurslovens § 23, stk. 3, ophæver landsretten konkursdekretet og hjemviser sagen til fornyet behandling i skifteretten.

Det bemærkes, at landsretten ikke herved har taget stilling til, om betingelserne for konkurs er opfyldt.

T h i b e s t e m m e s :

Konkursdekret af 6. januar 2026 vedrørende Shape Robotics A/S ophæves, og sagen hjemvises til fornyet behandling i skifteretten.

Sagen sluttet.

Retten hævet.

ANNEX B

Escrow Account Stipulation - 11 March 2026

ESCROW ACCOUNT STIPULATION

Depositor: Kromann Reumert Advokatpartnerselskab ("KR"), CVR No. 46038150

Deposited Amount: DKK 3,722,813.18

Beneficiaries: Shape Robotics A/S (the "Company"), CVR No. 38322656, Danske Bank A/S (the "Bank"), CVR No. 61126228 and Danmarks Eksport- og Investeringsfond ("EIFO"), CVR No. 43478206.

Depositary: Nordea Danmark, Filial af Nordea Bank Abp, Finland ("Nordea"), CVR No. 25992180

Terms of Escrow

1. Disposit with discharging effect

KR hereby deposits DKK 3,722,813.18 with Nordea with discharging effect pursuant to section 1(2) of the Danish Act on Debtors' Right to Obtain Discharge by Deposit (the "Deposit Act").

2. Background for the deposit

The deposit is made due to uncertainty as to who is the rightful creditor entitled to receive the deposited amount.

The amount originates from KR's function as trustee in the bankruptcy estate of Shape Robotics A/S (the Company). The Company was under bankruptcy proceedings from 6 January 2026 until 5 March 2026, when the bankruptcy decree was revoked by a decision of the Eastern High Court. During the bankruptcy proceedings, attorney Teis Gullitz-Wormslev of KR has been appointed trustee.

During the bankruptcy proceedings, the amount was transferred to the bankruptcy estate's client account from a client account belonging to the Bank. The amount originates from an instalment that the Company had paid to the Bank/EIFO shortly before the bankruptcy pursuant to an instalment agreement entered into between the Bank, EIFO and the Company. As a result of and subject to the issuance of the bankruptcy decree, the Bank and EIFO agreed to transfer the instalment to the bankruptcy estate.

As a result of the revoked bankruptcy decree, KR has received communications from the Company and the Bank and EIFO respectively, each claiming that the amount of DKK 3,722,813.18 must now be transferred to them as a result of the revoked bankruptcy decree.

Since there is uncertainty as to who is the rightful recipient of the amount, KR will discharge itself by deposit in accordance with the Deposit Act.

The deposit is made for the benefit of the Company, Danske Bank, and EIFO until the rightful title holder to the amount has been finally determined, cf. below.

3. Terms of release

The deposited amount may only be claimed for disbursement when it has been finally determined by judgment, settlement, or other binding resolution who is the rightful title holder to the amount, cf. Section 4 of the Deposit Act.

The creditor must thus substantiate and document its entitlement, and Nordea will only disburse the deposited amount upon presentation of proper documentation that the question of the rightful creditor has been finally determined by judgment, settlement, or other binding resolution.

4. Notice to the Beneficiaries

In accordance with section 1(3) of the Deposit Act, KR hereby notifies the Company and the Bank/EIFO of the deposit made. The notification contains information about the place of deposit (Nordea) and the terms and conditions for disbursement of the deposited amount as set out in this stipulation.

5. Waiver of the right of retrieval

KR hereby waives the right to retrieve the deposited amount pursuant to Section 2 of the Deposit Act. The deposit is therefore final and irrevocable.

6. Costs

Any costs associated with the deposit, including fees and administrative costs, shall be borne by the party receiving the amount and shall be deducted from the deposited amount.

7. Accrued interest

Any interest accruing on the deposited amount shall be payable to the party that, in accordance with Section 3 above, receives the disbursement of the deposited amount.
