

Shape Robotics invites to presentation of the Q3 2024 Interim Report on 21 November 2024

Herlev, Denmark – 8 November 2024 – Shape Robotics A/S, a leader in educational robotics, hereby invites to a presentation of the company's business developments and financial results for Q3 2024.

The Q3 2024 Interim Report for the period 1 January – 30 September 2024 will be published on 21 November 2024 before the market opening, followed by a video presentation of the results at 10:00 (DK) the same day, available on Shape Robotics' LinkedIn [page](#) and, subsequently, on the company's [website](#).

On 25 November 2024 at 16:00 (DK), Mark Abraham, CEO will host a live streaming Q&A session on LinkedIn, answering questions from investors about the Q3 2024 Interim Report. You may access the session as a webcast directly on the company's LinkedIn page by following [this link](#).

Please send your questions to ir@shaperobotics.com before 10:00 (DK), 25 November 2024.
