

Geveko Holding AB (publ) publishes its financial report for the half of 2026

Geveko Holding AB (publ) today announces the publication of its financial report for the first half of 2026, showing continued improvement in profitability during H1 2026.

Highlights of the first half of 2026:

- Net sales amounted to EUR 104.4m (H1 2025: EUR 101.1m)
- Normalized EBITDA amounted to EUR 21.8m (H1 2025: EUR 18.2m)
- Operating cash flow was EUR –8.1m (H1 2025: EUR -10.6m)

Despite a volatile geopolitical background, our financial performance has been satisfactory with revenue growth and improved profitability, says CEO André D. Thomsen.
