Settlement of the Tender Offer is expected to occur on or around 26 September 2024 (the "Settlement Date") and to the extent possible on the same day as the settlement of the New Bonds, such Settlement Date to be communicated as part of the New Bonds book building process.

Subject to the terms and conditions set out in this tender information document and applicable law, the Issuer may, in its sole and absolute discretion, extend, re-open, amend or waive any condition of or terminate the Tender Offer at any time. Bondholders are advised to read this document carefully for the details of and information on the procedures for participating in the Tender Offer.

Transaction Cap

The tendered amount of Bonds accepted by the Issuer will be capped at an amount equal to the total nominal amount of New Bonds issued (the "Transaction Cap"), subject to the Issuer's sole discretion of increasing, decreasing or removing the Transaction Cap. If the Issuer decides to accept for purchase valid tender instructions made pursuant to the Tender Offer and the aggregate nominal amount of Bonds validly tendered pursuant to the Tender Offer is greater than the Transaction Cap, the Issuer will accept such Bonds for purchase on a pro rata basis and on the principles described below, subject to the minimum denomination of SEK 1,250,000.

¹ As at the date hereof, the Issuer owns Bonds under ISIN SE0017132681 in an aggregate amount of SEK 716,250,000.

Priority take out and scaling

In the event of any scaling in the acceptance of Bonds to be purchased, the Issuer will firstly accept tender instructions from investors who subscribe for and are allocated New Bonds (see details on amount below under the heading titled "*Priority in New Bonds*"). In respect of tender instructions for Bonds that have not been priority allocated in accordance with the aforesaid, the Issuer will thereafter secondly accept either all or none of the tender instructions of Bonds submitted at the minimum denomination of the respective Bonds and thirdly all other tender instructions of Bonds with a total nominal size above the minimum denomination, in each case in the ISINs the Issuer decides to accept tenders in. The acceptance of tender instructions of Bonds will be rounded to a multiple of SEK 1,250,000 for the Bonds and any scaling made by the Issuer is binding on all Bondholders who validly tendered their Bonds.

Purpose of the Tender Offer

The purpose of the Tender Offer is to pro-actively manage the upcoming redemptions and to lengthen and diversify the debt maturity profile of the Issuer and Corem Kelly.

Priority in New Bonds

The Issuer will, in connection with the allocation of the New Bonds, consider, among other factors whether or not the relevant investor seeking an allocation of the New Bonds has, prior to such allocation, validly tendered Bonds pursuant to the Tender Offer and, if so, the aggregate nominal amount of Bonds tendered by such investor. In the event that a Bondholder validly tenders Bonds pursuant to the Tender Offer, such Bonds will remain subject to conditions of the Tender Offer as set out in this tender information document irrespective of whether that Bondholder receives all, part or none of any allocation of New Bonds for which it has applied.

New Financing Conditions

The Issuer's acceptance of Bonds validly tendered for purchase pursuant to the Tender Offer is conditional upon, in the sole and absolute discretion and determination of the Issuer, (i) the terms and conditions of the New Bonds being satisfactory to the Issuer, including, but not limited to, as to the price and volume of the New Bonds and (ii) the successful outcome of the issuance of New Bonds (including the receipt of funds by the Issuer), which will enable the Issuer to finance the Purchase Price and Accrued Interest of the total amount of Bonds validly tendered and accepted for purchase pursuant to the Tender Offer (together "**New Financing Conditions**").

For the avoidance of doubt, the Issuer is not under any obligation to accept any tender of Bonds for purchase pursuant to the Tender Offer. Any tender of Bonds for purchase may be rejected by the Issuer for any reason, and the Issuer is not under any obligation to Bondholders to furnish any reason or justification for refusing to accept a tender of Bonds for purchase.

The Issuer's acceptance of Bonds validly tendered in accordance with the terms and conditions of the Tender Offer will be irrevocable, but always subject to the Transaction Cap and the satisfaction of the New Financing Conditions.

Settlement of the transactions pursuant to the Tender Offer will occur as a secondary trade via the relevant Dealer Manager. The Dealer Managers are acting solely as settlement agents on behalf of the Issuer, and any trades booked as part of the settlement of the Tender Offer shall be understood as being between the relevant Bondholders and the Issuer, with relevant risks and responsibilities to carry out such settlement being between the Bondholders and the Issuer.
