Forward looking statements

Matters discussed in this report may constitute forward-looking statements. Forward-looking statements are statements that are not historical facts and that can be identified by words such as "aspirations", "believe", "expect", "anticipate", "intends", "estimate", "will", "may", "continue", "should", and similar expressions, as well as other statements regarding future events or prospects. Specifically, this report includes information with respect to projections, estimates and targets that also constitute forward-looking statements. The forward-looking statements in this report are based upon various assumptions, many of which are based, in turn, upon further assumptions. Although the Company believes that these assumptions were reasonable when made, these assumptions are inherently subject to significant known and unknown risks, uncertainties, contingencies and other important factors which are difficult or impossible to predict and are beyond its control. Such risks, uncertainties, contingencies and other important factors could cause actual events to differ materially from the expectations, projections, estimates and targets expressed or implied in this report by such forward-looking statements. The information, opinions and forward-looking statements contained in this report speak only as at its date and are subject to change without notice. GreenMobility A/S expressly disclaims any obligation to update or revise any forward-looking statements, except as required by law.
