The Tender Offer will be made for the issued and outstanding shares of Oma Savings Bank, which is domiciled in Finland, and is subject to Finnish disclosure and procedural requirements. The Tender Offer is made in the United States pursuant to Section 14(e) and Regulation 14E under the Exchange Act, subject to the exemption provided under Rule 14d-1(c) under the Exchange Act, for a "Tier

l" tender offer, and otherwise in accordance with the disclosure and procedural requirements of Finnish law, including with respect to the Tender Offer timetable, settlement procedures, withdrawal, waiver of conditions and timing of payments, which are different from those of the United States. In particular, the financial information included in this announcement has been prepared in accordance with applicable accounting standards in Finland, which may not be comparable to the financial statements or financial information of U.S. companies.

You should note that the Offeror's ability to waive the conditions to the Tender Offer (both during and after the end of the acceptance period) and the shareholders' ability to withdraw their acceptances, are not the same under a tender offer governed by Finnish law as under a tender offer governed by U.S. law. U.S. shareholders are encouraged to consult with their own advisors regarding the Tender Offer. In particular, the Offeror may waive conditions to the Tender Offer without offering withdrawal rights, to the extent not required by applicable law.

The Tender Offer is made to Oma Savings Bank's shareholders resident in the United States on the same terms and conditions as those made to all other shareholders of Oma Savings Bank to whom an offer is made. Any informational documents, including this announcement, are being disseminated to U.S. shareholders on a basis comparable to the method that such documents are provided to Oma Savings Bank's other shareholders.

To the extent permissible under applicable law or regulations, the Offeror and its affiliates or its brokers and its brokers' affiliates (acting as agents for the Offeror or its affiliates, as applicable) may from time to time after the date of this stock exchange release and during the pendency of the Tender Offer, and other than pursuant to the Tender Offer, directly or indirectly purchase or arrange to purchase Shares or any securities that are convertible into, exchangeable for or exercisable for Shares. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. To the extent information about such purchases or arrangements to purchase is made public in Finland, such information will be disclosed by means of a press release or other means reasonably calculated to inform U.S. shareholders of Oma Savings Bank of such information. In addition, the financial advisers to the Offeror may also engage in ordinary course trading activities in securities of Oma Savings Bank, which may include purchases or arrangements to purchase such securities. To the extent required in Finland, any information about such purchases will be made public in Finland in the manner required by Finnish law.

Neither the SEC nor any U.S. state securities commission has approved or disapproved the Tender Offer, passed upon the merits or fairness of the Tender Offer, or passed any comment upon the adequacy, accuracy or completeness of the disclosure in relation to the Tender Offer. Any representation to the contrary is a criminal offence in the United States.

The receipt of cash pursuant to the Tender Offer by a U.S. holder of Shares may be a taxable transaction for U.S. federal income tax purposes and under applicable U.S. state and local, as well as foreign and other, tax laws. Each holder of Shares is urged to consult its independent professional advisers immediately regarding the tax and other consequences of accepting the Tender Offer.

To the extent the Tender Offer is subject to U.S. securities laws, those laws only apply to U.S. holders of Shares and will not give rise to claims on the part of any other person. It may be difficult for Oma Savings Bank's shareholders to enforce their rights and any claims they may have arising under the U.S. federal securities laws, since the Offeror and Oma Savings Bank are located in non-U.S. jurisdictions and some or all of their respective officers and directors may be residents of non-U.S. jurisdictions. Oma Savings Bank shareholders may not be able to sue the Offeror or Oma Savings Bank or their respective officers or directors in a non-U.S. court for violations of the U.S. federal securities laws.
