Catena Media commences share buyback programme

On 11 August 2026, Catena Media plc ("the company") announced that the board of directors had conditionally approved the repurchase of the company's own fully paid-up shares to satisfy obligations to participants in the company's outstanding long-term incentive programmes ("the incentive programmes"), subject to the satisfaction of certain preparatory steps under Maltese company law. All preparatory steps for the implementation of the share buyback programme have now been completed and the company will commence the share buyback programme.

The purpose of the buyback programme is to satisfy obligations to participants in the incentive programmes. The buyback programme will be implemented in accordance with the EU Market Abuse Regulation No 596/2014 ("**MAR**") and the Commission Delegated Regulation No 2016/1052 ("**Safe Harbour Regulation**"). Acquisitions of shares will be made by ABG Sundal Collier AB, which will make its trading decisions concerning the timing of the repurchases of shares independently of the company.

On this basis, the board of directors has resolved that the company shall repurchase up to 4,713,747 shares under the buyback programme, for the purpose of satisfying part of the company's obligations to participants in the incentive programmes.
