

Terranor wins SEK 119 million sweeping contract for Copenhagen Municipality

17 September 2026

Terranor A/S, a subsidiary of the Terranor Group, has won a tender in Copenhagen Municipality for daily sweeping and cleaning of sidewalks and pedestrian areas in Vesterbro and Brønshøj/Husum, running from 1 January 2027 to 31 December 2030, with an option to extend for a further two years. The agreement is valued at DKK 79.5 million (approximately SEK 118.7 million) for the full initial contract period.

The contract supports Terranor's strategic ambition to strengthen its presence in the Danish municipal market and demonstrates the customer's continued confidence in Terranor. Together with the contract for daily sweeping and cleaning in Copenhagen inner city awarded in June, the agreement further strengthens Terranor's presence in Copenhagen. Terranor has held the Vesterbro and Brønshøj/Husum contract since 2021, providing a strong foundation for the continued collaboration.

"We are pleased to continue our good collaboration with Copenhagen Municipality and look forward to continuing to deliver high-quality cleaning and maintenance in Vesterbro and Brønshøj/Husum. Daily maintenance of roads requires stable delivery, knowledge of local conditions and solutions that work in practice – every day and all year round," says Ivan Pedersen, CEO Terranor A/S.
