Within the next two years AS “Liepājas autobusu parks” is planning to double its turnover

AS “Liepājas autobusu parks” is planning to reach a turnover of 15 million lats by the end of year 2015 and to conclude it with a profit of LVL 200,000.00 by carrying out the strategic development plan for 2012-2015 adopted by the company Board.

In the middle of September this year AS “Liepājas autobusu parks” made an investment into SIA “Baltic Taxi”, a taxi company, becoming the owner of its capital controlling interest. Within the next two years SIA “Baltic Taxi” is planning to reach a 4 million lats turnover by concluding the year 2015 with a profit of LVL 150,000.00.

At the end of September the planned turnover for SIA “Rumba Tours”, the newly founded daughter company of AS “Liepājas autobusu parks”, for the year 2015 was 0.4 million lats thus granting a profit of LVL 25,000.00 at the of the year. Specialization of SIA “Rumba Tours” is buss rental services for private individuals, companies and tourism service providers.

The strategic development plan of AS “Liepājas autobusu parks” was adopted in response to the situation in regular passenger transportation industry and it foresees investments into creation of new transportation industry services. The company is planning on expanding its operations in Liepaja and outside the region, as well as in Riga. The goal of AS “Liepājas autobusu parks” is to develop and master irregular and international passenger transportation services by the end of year 2015.
