RevolutionRace opens first store in Germany

RVRC Holding AB today announces that RevolutionRace is opening a store at Westfield Centro shopping center in Oberhausen, Germany. The store is planned to open in the fall of 2026.

RevolutionRace's biggest region in Germany is Nordrhein-Westfalen with almost 20 million inhabitants including major cities such as Dusseldorf, Cologne and Dortmund. Westfield Centro is located in the heart of this region.

"We are excited to open our first store in Germany, our largest market. Opening a store here is a natural next step following the establishment of physical stores in Sweden. It allows us to strengthen our presence with existing customers in the region, while reaching new customers through one of Germany's largest shopping centers. This marks an important milestone for RevolutionRace" says Paul Fischbein, CEO of RevolutionRace.

Further information will be communicated closer to the opening date.
