

Image Systems' business area RemaSawco receives an order worth approximately SEK 1.5 million from a Nordic sawmill

RemaSawco has signed an agreement with a Nordic sawmill for the delivery and installation of RemaSawco's new saw line control system.

The agreement also includes a service level agreement (SLA). Installation and commissioning costs will be charged separately.

The total order value amounts to just under SEK 1.5 million.

Delivery, installation and commissioning are provisionally scheduled for 2027, with exact timing to be agreed upon.
