Rejlers earns Gold Medal from EcoVadis for Sustainability Performance

Rejlers has achieved a Gold Medal from EcoVadis, the world's most trusted provider of business sustainability ratings. Rejlers scored 79 of 100, placing the company among the top 5 percent of companies assessed by EcoVadis in the past 12 months (95+ percentile).

The EcoVadis assessment evaluates 21 sustainability criteria across four core themes: Environment, Labor & Human Rights, Ethics and Sustainable Procurement. More than 130,000 companies globally have been rated by EcoVadis.

"We have raised our ambitions and have a new strategy that we follow in our continuous work towards a more sustainable future. The Gold Medal is further proof that we are doing the right thing. We also know that it will be highly valued by our customers, says Malin Ljung Eiborn, Sustainability Director, Rejlers Group.

"We are immensely proud of our sustainability work and convinced that the score will further strengthen us on our mission to be a catalyst for our customers transformation", says Viktor Svensson, President and CEO, Rejlers Group.

About EcoVadis:

EcoVadis' business sustainability ratings are based on international sustainability standards such as the Ten Principles of the UN Global Compact, the International Labour Organization (ILO) conventions, the Global Reporting Initiative (GRI) standards and the ISO 26000 standard. The ratings provide an evidenced-based analysis on performance and an actionable roadmap for continuous improvement.
