

Alisa Bank Plc

Pillar III – Disclosure Report on capital
adequacy and risk management

30 June 2026

Introduction

Alisa Bank focuses on retail banking, offering selected banking services to personal and business customers. Alisa Bank's offering includes current, savings and deposit accounts, lending to personal and business customers, and online purchase payment products. Thorough and adequately resourced risk management is an integral part of the company's daily business management. The key types of risks in Alisa Bank are credit risk, liquidity risk, operational and market risk.

Alisa Bank publishes Pillar III information on capital adequacy and risk management in its Capital and Risk Management report. The report is published in connection with the publication of the interim report as a separate report and discloses the capital adequacy data of Alisa Bank according to Pillar III requirements.

The goals, principles and responsibilities of Alisa Bank's risk management and the organization of risk management are described in note G4 of Alisa Bank's 2025 financial statements. Alisa Bank complies with its disclosure obligation by publishing all material Pillar III key information biannually. Key indicators under Pillar III are presented in a table form. Pillar III data is unaudited.
