

Lifco acquires ErgoPack in France

Lifco has signed an agreement to acquire all shares in the French company ErgoPack France. ErgoPack France is the distributor of ErgoPack Deutschland, a Lifco company since 2019.

In 2025, ErgoPack France reported net sales of approximately EUR 4.8 million. The company is based in Saint-Martin-d'Abbat, France and has nine employees. ErgoPack France will be consolidated in Business Area Environmental Technology. Consolidation is expected to take place in the fourth quarter of 2026. As ErgoPack France is the distributor for the Lifco company ErgoPack Deutschland, the acquisition will have a very limited impact on Lifco's consolidated external sales.

The acquisition will not have any significant effect on Lifco's earnings or financial position in the 2026 financial year.
