Exploring the possibility of issuing Tier 2 capital

As part of the ongoing effort to optimise its capital structure, Ringkjøbing Landbobank has decided to explore the possibility of issuing new Tier 2 capital.

For this purpose Ringkjøbing Landbobank has granted a mandate to Nordea Bank Abp to explore the market and arrange investor meetings and, if there is satisfactory market interest, subsequently to handle the offering process together with the bank.

Yours sincerely

Ringkjøbing Landbobank
