Goldsky Resources Announces Inclusion in the GDXJ

VANCOUVER, Canada, September 15, 2026 — Goldsky Resources Corp (TSX-V: GSKR, FNSE: GSKR SDB, OTCQX: GSKRF, FRA: HEG0) ("**Goldsky Resources**" or the "**Company**") is pleased to announce that it has been added to the VanEck Junior Gold Miners ETF ("**GDXJ**") pursuant to the GDXJ's semi-annual review and quarterly index rebalance, effective at market close on September 18, 2026.

The Company's addition to the GDXJ follows Goldsky's consolidation of 100% ownership of the Barsele gold project in Sweden in June 2026, and its continued advancement of a district-scale Nordic gold and gold-cobalt portfolio spanning the Gold Line greenstone belt in Sweden and the Oijärvi greenstone belt and Rajapalot project in Finland.

Russell Bradford, CEO & Director, commented: "*Being added to the GDXJ, a widely followed exchange-traded fund, is a welcome milestone for us. It underscores the momentum behind Goldsky's Nordic gold platform since we took full ownership of Barsele, and it reflects the consistent progress we're making across our project pipeline in Sweden and Finland.*"

Our inclusion should raise Goldsky's profile, support stronger trading liquidity, and help us reach a broader base of institutional and retail investors as we keep advancing our Nordic gold projects."

About the GDXJ

GDXJ is a widely recognized exchange-traded fund designed to track the performance of the most liquid small- and mid-capitalization companies in the global gold and silver mining industries.

Forward-looking Information:

This news release contains forward-looking statements that reflect the Company's intentions, beliefs, or current expectations about and targets for the Company's future results of operations, financial condition, liquidity, performance, prospects, anticipated growth, strategies and opportunities and the markets in which the Company operates. Forward-looking statements are statements that are not historical facts and may be identified by words such as "believe", "expect", "anticipate", "intend", "may", "plan", "estimate", "will", "should", "could", "aim" or "might", or, in each case, their negative, or similar expressions. The forward-looking statements in this news release are based upon various assumptions, many of which are based, in turn, upon further assumptions. Although the Company believes that the expectations reflected in these forward-looking statements are reasonable, it can give no assurance that they will materialize or that the assumptions on which they are based are correct. Because these statements are based on assumptions or estimates and are subject to risks and uncertainties, the actual results or outcome could differ materially from those set out in the forward-looking statements as a result of many factors. Such risks, uncertainties, contingencies, and other important factors could cause actual events to differ materially from the expectations expressed or implied in this release by such forward-looking statements. The Company does not guarantee that the assumptions underlying the forward-looking statements in this news release are free from errors and readers of this news release should not place undue reliance on the forward-looking statements in this news release. The information, opinions and forward-looking statements that are expressly or implicitly contained herein speak only as of the date of this news release and are subject to change without notice. Neither the Company nor anyone else undertake to review, update, confirm or to release publicly any revisions to any forward-looking statements to reflect events that occur or circumstances that arise in relation to the content of this news release, unless it is required by law or applicable exchange rules.
