Transaction by Person Discharging Managerial Responsibilities

AstraZeneca PLC (the Company) announced that, on 14 September 2026, Dr Aradhana Sarin, Chief Financial Officer of the Company, acquired 73 of the Company's ordinary shares of $0.25 each (Ordinary Shares) following the vesting of certain dividend equivalent awards accrued in relation to her 2021 AstraZeneca Performance Share Plan (AZPSP) award.

The underlying 2021 AZPSP award vested to Dr Sarin on 17 August 2026 and was announced on 18 August 2026. Due to administrative processing timelines, the dividend equivalent awards relating to the Company's first interim dividend for 2026 were not included in that vesting. These dividend equivalent awards therefore vested separately on 14 September 2026. All other dividend equivalent units accrued during the performance and holding period were included within the 17 August vest.

Following the withholding of shares to satisfy certain tax obligations arising on vesting, Dr Sarin's beneficial interest in Ordinary Shares changed as detailed in the table below:

PDMR	**Position**	**Ordinary Shares acquired**
Aradhana Sarin	Executive Director and Chief Financial Officer	73

For tax purposes, the fair market value of an Ordinary Share at vest of the award was £114.60, being the closing price on the last trading day preceding the vesting of the 2021 AZPSP award.

Further details are set out in the attached notification, made in accordance with the requirements of the EU Market Abuse Regulation (as it forms part of UK law pursuant to the European Union (Withdrawal) Act 2018).
