The recipient of this press release is responsible for using this press release, and the information contained herein, in accordance with the applicable rules in each jurisdiction.

The availability of the Rights Issue to holders not resident in Sweden may be affected by the legislation of the relevant jurisdiction in which they are located. Holders not resident in Sweden should inform themselves about, and comply with, all applicable laws and regulations.

This press release does not constitute an offer of, or an invitation to, acquire or subscribe for any securities in SciBase in any jurisdiction, either from SciBase or from anyone else. This press release is not a prospectus within the meaning of Regulation (EU) 2017/1129 (the "**Prospectus Regulation**") and has not been approved by any regulatory authority in any jurisdiction. No prospectus will be prepared in connection with the Rights Issue. The Company has prepared and published an information document in respect of the Rights Issue. The information document is available on the Company's website (https://investors.scibase.se).

This press release does not identify, and does not purport to identify, any risks (direct or indirect) that may be associated with an investment in the Company. The information in this press release is intended only to describe the background to the Rights Issue and does not purport to be complete or exhaustive. No representation is made as to the accuracy or completeness of the information in this press release.

This press release does not constitute an offer of, or an invitation to, acquire or subscribe for securities in the United States. The securities referred to herein have not been and will not be registered under the U.S. Securities Act of 1933, as amended from time to time (the "**Securities Act**"), and may not be offered or sold in the United States absent registration, or an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. There is no intention to register any securities referred to herein in the United States or to make a public offering of such securities in the United States. The information in this press release may not be released, published, copied, reproduced or distributed, directly or indirectly, in whole or in part, in or into the United States, Australia, Belarus, Canada, Hong Kong, Japan, New Zealand, Russia, Singapore, South Africa, South Korea or any other jurisdiction in which such release, publication or distribution of this information would be unlawful or where such action is subject to legal restrictions or would require registration, or measures other than those required under Swedish law. Actions contrary to this instruction may constitute a violation of applicable securities legislation.

Forward-looking statements

Matters discussed in this press release may contain forward-looking statements. Forward-looking statements are all statements that do not relate to historical facts and events, as well as statements relating to the future which, for example, contain expressions such as “anticipates”, “intends”, “may”, “will”, “should”, “estimates”, “believes”, “could”, “plans”, “continues”, “potential”, “estimates”, “forecasts”, “known” or similar expressions. In particular, these statements relate to future results, financial position, cash flows, plans and expectations regarding the company’s operations and management, future growth and profitability, as well as the general economic and regulatory environment and other circumstances affecting the company, many of which are in turn based on further assumptions, such as the absence of changes in existing political, legal, tax, market or economic conditions or in applicable laws (including, but not limited to, accounting principles, accounting methods and tax policies), which, individually or together, may be material to the company’s results or its ability to conduct its operations. Although the Company considers that these assumptions were reasonable when they were made, they are by their nature subject to significant known and unknown risks, uncertainties, contingencies and other important factors that are difficult or impossible to predict and that may be beyond the Company’s control. Such risks, uncertainties, contingencies and other material factors may cause actual events to differ materially from the expectations expressed or implied in such forward-looking statements. Prospective investors should therefore not place undue reliance on the forward-looking information contained herein, and prospective investors are strongly recommended to read those sections of the information document that contain a more detailed description of factors that may affect the Company’s business and the market in which the Company operates. The information, opinions and forward-looking statements in this press release are valid only as at the date of this press release and may be subject to change without notice.
