About CapMan

CapMan is a leading Nordic private asset expert with an active approach to value creation and 7.2 billion euros in assets under management. As one of the private equity pioneers in the Nordics we have developed hundreds of companies and assets creating significant value for over three decades. Our objective is to provide attractive returns and innovative solutions to investors by enabling change across our portfolio companies. An example of this is greenhouse gas reduction targets that we have set under the Science Based Targets initiative in line with the 1.5°C scenario and our commitment to net-zero GHG emissions by 2040. We have a broad presence in the unlisted market through our local and specialised teams. Our investment strategies cover real estate and infrastructure assets, real asset debt, natural capital and minority and majority investments in portfolio companies. We also provide wealth management solutions. Altogether, CapMan employs around 200 professionals in Helsinki, Jyväskylä, Stockholm, Copenhagen, Oslo, London, Luxembourg, and Düsseldorf. We are listed on Nasdaq Helsinki since 2001. www.capman.com.
