PAYDAY™ 3 launches “Operation Medic Bag” with comprehensive roadmap of upcoming improvements

The PAYDAY™ 3 team today revealed “Operation Medic Bag” – a focused effort to respond to community expectations and improving PAYDAY 3. The initiative covers sought-after features such as solo-mode and offline play as well as new content, enhanced features and community initiatives. The full post can be found here.

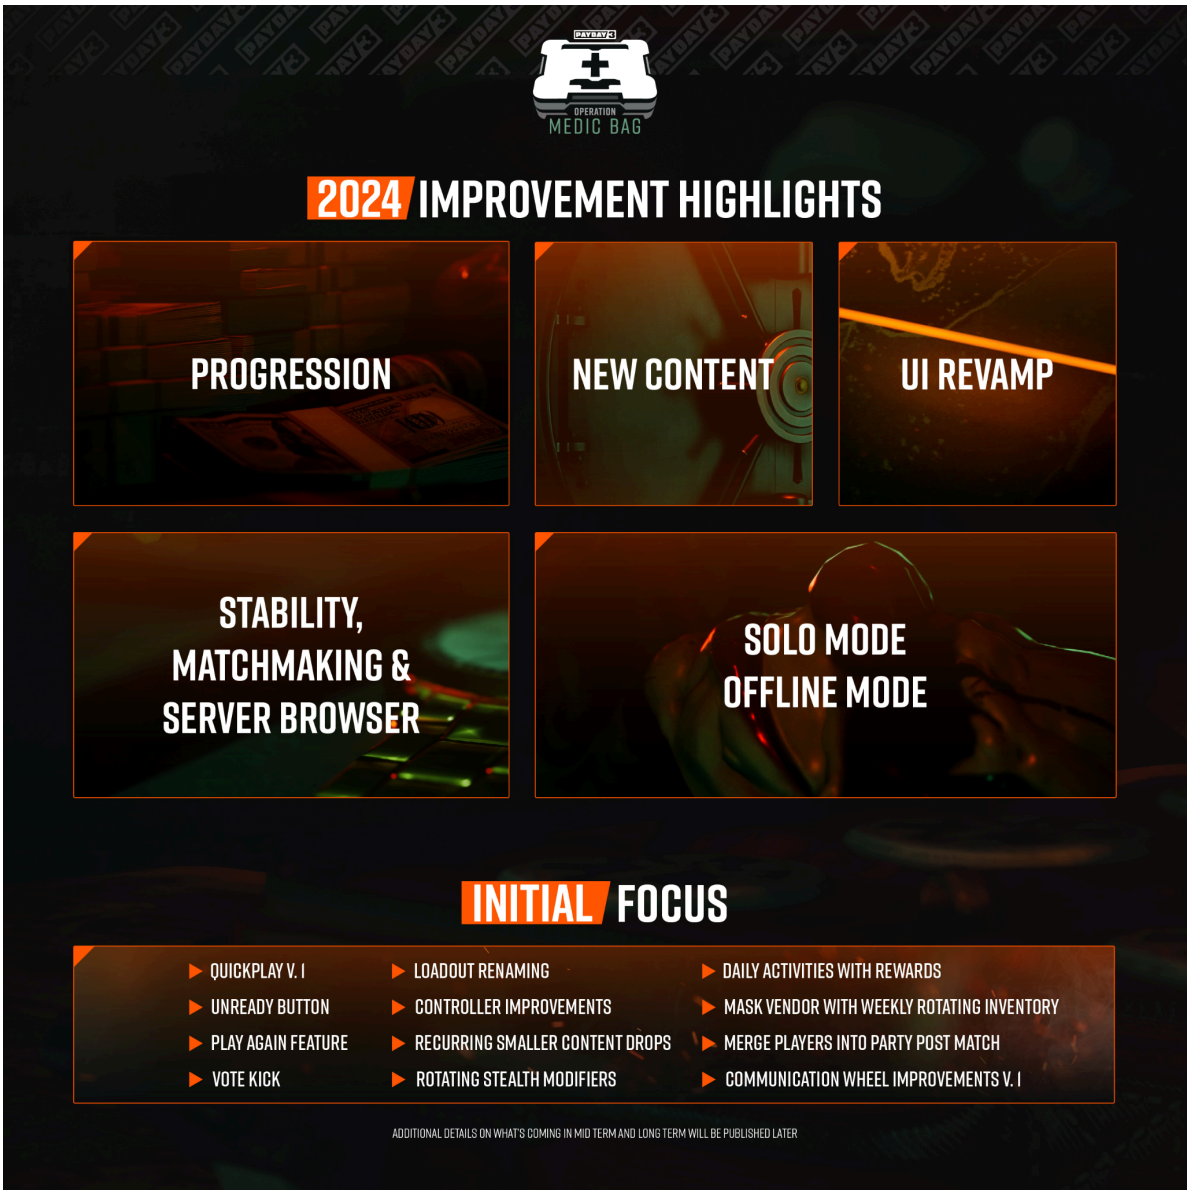

A team consisting of veteran developers from the design, community, communication and production teams has reviewed and revisited all aspects of PAYDAY 3, identifying the most impactful changes and reprioritized the development pipeline.

The major categories of Operation Medic Bag:

- **Optimization & Reliability**
  - This covers the game performance in all ways. This includes reliability of both performance and consistency of finding games, UI improvements and technical issues such as crashes.
- **Teamwork & Co-op**
  - With this, we collected all things that make playing with others easier. Including communications tools such as VoIP & text chat, how your party is made up and how you communicate.
- **Replayability & Progression**
  - This refers to features that will make playing again easier and more enjoyable. Sticking with your group, the infamy system and more.
- **Fantasy & Heisting**
  - This one will reinforce the heisting fantasy, this involves a crime.net style map as well as more features to make you feel like a heister in true.

For more detailed information, see this post from the PAYDAY 3 team.
