Lea Bank AB: Contemplating issuance of Additional Tier 1 bonds and Tier 2 bonds

Lea Bank AB has mandated SB1 Markets for a potential issuance of Additional Tier 1 bonds and Tier 2 bonds of up to in total NOK 200 million. The transaction is subject to market conditions.

The bonds will have a floating rate and a first call option for the issuer minimum 5 years after the issue date, subject to approval by the Financial Supervisory Authority of Sweden.
