The last day of trading in Prostatype Genomics AB's warrants of series TO6 is tomorrow

NOT FOR RELEASE, DISTRIBUTION OR PUBLICATION, DIRECTLY OR INDIRECTLY, IN THE UNITED STATES, AUSTRALIA, JAPAN, CANADA, NEW ZEALAND, SOUTH AFRICA, HONG KONG, SWITZERLAND, SINGAPORE, SOUTH KOREA, RUSSIA, BELARUS OR IN ANY OTHER JURISDICTION WHERE THE RELEASE, DISTRIBUTION OR PUBLICATION OF THIS PRESS RELEASE WOULD BE UNLAWFUL OR REQUIRE ADDITIONAL REGISTRATION OR OTHER MEASURES BEYOND THOSE REQUIRED BY SWEDISH LAW. PLEASE SEE "IMPORTANT INFORMATION" AT THE END OF THIS PRESS RELEASE.

Tomorrow, Friday, 11 September 2026, is the last day of trading in warrants of series TO6, which were issued in connection with Prostatype Genomics AB's ("Prostatype" or "the Company") rights issue of units earlier in 2026. The last day to exercise TO6 for subscription of shares is 15 September 2026.

In connection with the Company's rights issue in July 2026 and subsequent directed issue to underwriters, 125,225,546 warrants of series TO6 were issued. Each warrant of series TO6 entitles the holder to subscribe for one new share in the Company at a price of SEK 0.10 per share. The exercise period runs until 15 September 2026. Upon full exercise of warrants of series TO6, the Company will receive approximately SEK 12.5 million before issue costs. In connection with the exercise of warrants of series TO6, the Company has received subscription commitments, letters of intent, and top-down underwriting commitments totalling approximately SEK 8.7 million, corresponding to approximately 70 percent of the maximum offering volume. For the top-down underwriting commitment, which amounts to approximately SEK 6 million, compensation will be paid at 2 percent in cash and 10 percent in the form of shares, on the same terms and conditions as those applicable to warrants of series TO6.

In order for the warrants not to expire without value, the holder must subscribe for new shares, with the support of warrants, no later than 15 September 2026, or sell the warrants no later than Friday, 11 September 2026.

Please note that holders who have their warrants in an investment savings account (ISK) or endowment insurance should contact their administrator well in advance, as different administrators have different processing times.

Full terms and conditions and instructions for warrants of series TO6, as well as a teaser containing a summary about the warrant exercise, are available on the Company's website (www. prostatypegenomics.com).
