About KEO Capital

KEO Capital AB (publ) is a listed technology-driven financial solutions provider focused on improving liquidity, security, transparency, and efficiency in B2B supply chain financing and corporate travel and expense management. KEO Capital operates a unified digital ecosystem that enables buyers and suppliers to interact through complementary solutions designed to address the full spectrum of corporate payables. KEO Capital's energy activities, including its indirect equity interest in PetroUrdaneta (24 percent, to be increased to 40 percent under a binding agreement), are held through KEO Energy and are intended to be separated from the Company, following which KEO Capital will focus exclusively on its fintech business. The shares are listed on Nasdaq Stockholm (KEOC). For more information, please visit the Company's website <https://keocapital.com/>.
