

## ASSA ABLOY acquires Senior Architectural Systems in the UK

ASSA ABLOY has acquired Senior Architectural Systems ("SAS"), an independent supplier of innovative aluminium windows, doors and curtain wall systems and thermally efficient fenestration systems into the commercial construction sector in the UK.

"I am very pleased to welcome SAS to ASSA ABLOY. This acquisition delivers on our strategy to add complementary products and solutions to our core business," says Nico Delvaux, President and CEO of ASSA ABLOY.

"SAS is an exciting addition to our UK business, and I am delighted to welcome the team to ASSA ABLOY, says Neil Vann, Executive Vice President of ASSA ABLOY and Head of EMEIA Division. "SAS offers an innovative and high-quality range of window and door profile systems including market leading thermally efficient technology. Their portfolio will further extend the ASSA ABLOY offering in the commercial OEM market in the UK."

SAS was established in 1991 and has some 150 employees. The main office and factory are located in Yorkshire, UK.

Sales for 2024 amounted to about MGBP 50 (approx. MSEK 680) with a strong EBIT margin. The acquisition will be accretive to EPS from the start.
