Skanska to build Public Works Operations Campus for City of Vancouver, WA, USA, for USD 64M, about SEK 600M

Skanska has signed a contract with the City of Vancouver for the Vancouver Public Works Operations Campus Project in Vancouver, Washington, USA. The contract is worth USD 64M, about SEK 600M, which will be included in the US order bookings for the third quarter of 2026.

The project will improve operational efficiency for the City of Vancouver's department of Public Works, which performs essential infrastructure maintenance and construction. It will include 13 new buildings, totaling approximately 21,700 square meters (233,300-SF) of enclosed space, and an additional 3,400 square meters (36,100-SF) of covered parking. Site development will include extensive grading, retaining wall systems, installation of utilities, stormwater system, landscaping, site lighting, and parking for staff, public, and fleet vehicles.

Preparatory work began in December 2025. The project is expected to be completed in July 2028.
