Investor Capital Markets Update 2026

Investor welcomes institutional investors, financial analysts, and media to its Capital Markets Update on November 4, 2026.

The program will feature presentations by Christian Cederholm, President and CEO of Investor, and other senior Investor representatives, providing an update on Investor's strategy and priorities. The CEOs of Patricia Industries' subsidiaries BraunAbility, Laborie, Mölnlycke, Nova Biomedical, and Sarnova will also present their companies.

The event will take place at Investor AB headquarters, Arsenalsgatan 8C, Stockholm, beginning at 13:00 CET, with registration from 12:30 CET. The program is expected to conclude at 17:00 CET. A live webcast will be available for those unable to attend in person.

Register to attend in person [here](#).

Register for the live webcast [here](#).

Please register for in-person attendance no later than October 21, 2026. Please note that seating is limited.

Further details, including the full agenda, will be available on the registration sites closer to the event.
